I booked my spiti trip with Enlive Trips. Indeed that was a right decision 😊 A nice planned trip with coverage to all beautiful sight-seeing, best stays, food and fun activities and all thanks to our Trip Captain Vikas.

We also had nice bonfire party with such awesome peeps 🍻👯👯👯👯👯. One of best thing of this trip was that every thing was planned through even if someone falls sick at such altitude so that had given us a peace of mind 😊.

Spiti was an experience which was made better by Enlive Trips. Can't wait to book my next trip with Enlive Trips.

SPECIAL

Notes

- ⦿ Respect the local culture and customs: Spiti Valley is home to diverse cultures and traditions. Be respectful and ask for permission before taking photos of people or their property.
- ⦿ Carry warm clothing: Spiti can get very cold, even in summer. Pack warm clothing, including layers and thermal wear. Bring -10°C winter down jacket with you.
- ⦿ Stay hydrated: Drink plenty of water to avoid altitude sickness. Carry a refillable water bottle.
- ⦿ Network connectivity: Jio, Airtel and BSNL works the best but if you have VI sim it will stop working on the first day itself.
- ⦿ Dry Washroom: In winters due to extreme cold, water becomes a luxury asset so in that case dry washroom is used.
- ⦿ There can be road closures during the course of the trip, any cost due to that will not be paid by the company.
- ⦿ Plan for emergencies: Spiti is secluded, so carry basic medical supplies or your ongoing medicines. Our trip captain will also be carrying first aid box and oxygen can.
- ⦿ Don't litter: Dispose of your trash properly and avoid leaving any waste behind.
- ⦿ Don't disturb wildlife: Spiti has unique flora and fauna; do not disrupt the local wildlife.
- ⦿ Don't engage in disrespectful behavior: Avoid any actions that may offend the local population or fellow travelers.
- ⦿ Don't expect modern amenities: Spiti is remote, infrastructure is basic and raw in nature, so don't expect the same level of comfort or luxury as in urban areas.
